

CLASSROOM NEWS

Hello,

As spring takes hold, we're filled with renewed hope and enthusiasm. We're excited to share that 11 eggs are on the verge of hatching, we are so excited to witness this.

Our spring concert is shaping up and we are having so much fun practicing.

The season's revitalized and motivated, and we're eager to embrace the possibilities that lie ahead.

As we approach the final months of the school year, we're excited to make the most of our time left. We encourage you to start thinking about your child's summer plans. Our summer Enrichment program is a fantastic opportunity for growth and engagement. We invite you to explore this option and enroll your child. Currently enrollment numbers are low, and we risk having to cancel the program if we don't see an increase in participation. We're hopeful that together we can make this program a success.

Looking ahead to the 2025/2026 school year we're pleased to offer a program for 4-k students (morning) to

ride the bus to our preschool. Students may bring lunch and enjoy it before the preschool hours start. Please note that you will have to sign a transportation form with the school. We also have morning and afternoon openings available. Please spread the word. We appreciate your support.

Wishing you a Joyous Easter and hoping the Easter Bunny brings delight to your home.

Lead Teacher,
Ms. Angie Griffith
